I. When-ev-er you Kiss me, I Feel a burning desire  
 Yeah! like you took a match, Girl- and  
 set my soul on Fi-re. You got me running a-round in cir-

 Tell me what can I - do Uh, huh, to put out the Flame  
 in my heart. Help me put out the Flame.  
 (When-ev-er I'm)

II. Whenever I'm with you time has no meaning,  
 Like the world standing still but left me here dreaming,  
 Baby, you got me in a whirlwind.  
 Sometimes I feel it's just a game.

Chorus

III. You know you got me under your spell.  
 I don't know why, I wish I could tell.  
 Don't even know day from night, yeah,  
 Don't even care if I'm wrong or right, yeah!

IV. Whenever you need me I go out of my mind.  
It's like being in a tin drum, Baby,  
You know you got me going out of my head.  
Sometimes I feel I'm insane.

Chorus
